FROM THE DESK OF THE CITY MANAGER

Memo To: Mayor and Commissioners

Date: November 1, 2021

Ref: Monthly Report

=====

American Rescue Funds – We would like to use these funds to purchase a \$41,858 mini excavator and \$68,1000 for a skid steer. We believe this additional equipment will assist public works in doing their job more quickly and efficiently.

Check Policy – We would like to change our NSF Check Policy to reduce the number of NSF Checks from 3 to 2 before the customer would have to pay cash only. This is consistent with other cities within the county.

Library – The Library has received another grant this time worth \$3000. Including these funds, they have received \$7,500 in grant funding this year and have used those funds to purchase new books.

Paving Bid – We received 3 bids for our paving projects and the lowest bidder is AAA Top Quality Asphalt with a bid of \$205,233.15. AAA is the same company who paved our streets 3 years ago.

Playground - The equipment for our new playground at city hall has a tentative ship date of Nov. 19th. The install date will get scheduled as we get closer to the delivery of the equipment.

Power Washing – We have discussed in the office to use the monies that we set aside this year on the City Commission Building. We believe with that money we can complete the power washing and repainting of the building as well as perhaps improve the dais. With these improvements the City Commission building will be completely finished.

Ruritan Building – Donnie True has inspected the building and agrees that it should be demolished. We have spoken with Russell and let him know our intentions and have given him until November 15th to remove everything. On that date we will cut off the utilities to the property.

The Ranches – North Ranch – This is the first phase located on the northside of Bomber Road and has 138 single family lots with construction beginning sometime in November.

Thousand Oaks Development – We had a preconstruction meeting for this 240-unit development located off of Eagle Ave. They are expected to begin construction on October 25th and completion in 6 months. The builder for this development will be split between Highland Home and DR Horton and the new development name will be Eagle Hammock.

MASTER SERVICES AGREEMENT NO. 24903

This Master Services Agreement No. 24903 ("**Agreement**") is effective on the date of the last signature, ("**Effective Date**") and is made by and between MCCi, LLC, a Florida limited liability company, and its Affiliates with its principal office located at 3717 Apalachee Parkway, Suite 201, Tallahassee, FL 32311 ("**MCCi**") and Client (defined herein). MCCi and Client may each be referred to individually herein as "**Party**" or collectively as the "**Parties**".

The terms "**Client**" in this Agreement shall also include Client's "**Affiliates**," defined as a legal entity that directly or indirectly controls, is controlled by, or is under common control with the party. It is agreed that Client's Affiliates shall enjoy the same rights, benefits and obligations set forth in this Agreement as are applicable to Client.

The Parties hereto intending to be legally bound hereby, agree as follows:

1. Scope of Service

MCCi and Client may develop and enter into one or more sales orders, attached herein or incorporated by reference, incorporating a description of the specific goods and/or services requested by Client (each, and as modified in writing by the Parties, an "**Order**"). MCCi will provide to Client those goods and/or services described as its obligation in the Order (collectively, the "**Services**"). If applicable, each Order will also describe items specifically required to be delivered by MCCi to Client (the "**Deliverables**"), and the acceptance criteria for each of the Deliverables. Further, each Order will set forth, among other things, tasks to be performed by the Parties and roles and responsibilities of each Party. Each Order shall specifically identify this Agreement and indicate that it is subject to the terms hereof. To the extent there are any conflicts or inconsistencies between this Agreement and any Order or Client purchase order, except in regard to Sections 2 or 3 herein, the provisions of this Agreement shall govern and control. To the extent that there are any conflicts or inconsistencies between this Agreement and any Client-entered third party government purchasing agreement ("**Purchasing Vehicle**"), the provisions of the Purchasing Vehicle shall govern and control.

No change order, notice, direction, authorization, notification or request (collectively, "**Change Order**") will be binding upon Client or MCCi, nor will such Change Order be the basis for any claim for additional compensation by MCCi, until Client and MCCi have agreed in writing to change the terms of an applicable Order, or to execute a new Order, as appropriate.

2. Fees

Client shall pay to MCCi the fees and other compensation set forth in each Order. By executing the applicable Order, Client acknowledges their pre-approval for any Order Expenses quoted. Unless otherwise specified, Client will also reimburse MCCi for all reasonable out-of-pocket travel, living and other ancillary expenses paid or incurred by MCCi in connection with the Services ("**Order Expenses**"). If relevant, MCCi will follow Client's expense policy, to the best of its ability. If a dispute occurs regarding MCCi's billing of Order Expenses in

conformity with Client's expense policy and greater than five percent (5%) of a specific bill, such dispute will be subject to investigation and correction; otherwise Client agrees to reimburse MCCi for the full amount of expenses billed. The Client acknowledges that it may incur expenses due to circumstances such as non-refundable airline tickets, training/install charges, hotel reservations, rental cars, etc., in the event that i) Client cancels or reschedules the event, after MCCi has made these arrangements; or ii) If Client site/team is not prepared upon MCCi's arrival, which results in cancellation, delays, and/or the need to reperform Deliverables.

Client acknowledges that the price of the license and/or subscription for the use of a third-party licensed product is subject to increases during the term of the license and/or subscription or at the time of renewal. In the event that MCCi is reselling a license and/or subscription to a third-party product to Client with at least 15 days prior to written notice (an email will be sufficient) of an increase in the price of the license and/or subscription. To the extent that Client does not agree to pay such increase in the license and/or subscription, Client must provide written notice to MCCi within 15 days of receipt of the notice of such increase. Upon receipt of such notice, MCCi will cancel Client's license and/or subscription to the third-party licensed product.

3. Invoicing and Payment

Unless otherwise stated in an Order, MCCi will invoice Client for all fees, charges and reimbursable expenses on a monthly basis and upon completion of each Order.

Client agrees to pay all undisputed invoices and undisputed portions of a disputed invoice in full within thirty (30) days from the date of each invoice.

All recurring software maintenance support, subscriptions, and/or other service packages ("**Recurring Services**") will automatically renew and be billed unless Client has terminated the Agreement per Section 4 below or provided sixty (60) days written notice prior to the scheduled renewal date of the Recurring Services. Once payment has been received, no refunds for Recurring Services are available.

4. Term, Termination, and Cancellation

This Agreement will commence on the Effective Date and will be effective for a one (1) year period and will renew automatically for one (1) year periods and continue in full force and effect, unless terminated by either Party as set forth below. Termination of this Agreement or any Order hereunder may occur upon any of the following:

- (a) Thirty (30) days after a Party's receipt of written notice from the other Party that this Agreement or the Services, in whole or in part under an Order, shall be terminated; or
- (b) Thirty (30) days after one Party notifies the other in writing that they are in breach or default of this Agreement, unless the negligent Party cures such breach or default within such thirty (30) day period; or

MASTER SERVICES AGREEMENT NO. 24903

- (c) Fifteen (15) days after the filing of a petition in bankruptcy by or against either Party, any insolvency of a Party, any appointment of a receiver for such Party, or any assignment for the benefit of such Party's creditors (a "**Bankruptcy Event**"), unless such Party cures such Bankruptcy Event within the fifteen (15) day period.

In all events, Client shall be liable for full payment for Services and reimbursement of MCCi's expenses incurred through the effective date of termination. If Client cancels or puts on hold an Order between completed milestones, MCCi will invoice Client for a pro-rated share of the uncompleted milestone(s) for Services performed through the date of such termination or delay.

5. Working Arrangements

All Services shall be performed remotely, unless otherwise agreed to by the Parties. If Services are to be performed on Client's premises, Client shall provide the following to MCCi Personnel: (i) a suitable and adequate work environment, including space for work and equipment for performance of the Services; (ii) access to and use of Client's facilities and relevant information, including all necessary software, hardware and documentation; (iii) timely assistance in the acquisition of, or correction of any hardware or software problems that would affect the performance of Services; and (iv) any other items set forth in each Order.

Client will ensure that all Client's personnel, vendors, and/or subcontractors, if any, who may be necessary or appropriate for the successful performance of the Services will, on reasonable notice: (i) be available to assist MCCi Personnel by answering business, technical and operational questions and providing requested documents, guidelines and procedures in a timely manner; (ii) participate in the Services as reasonably necessary for performance under an Order; and (iii) be available to assist MCCi with any other activities or tasks required to complete the Services in accordance with the Order.

6. MCCi Personnel

Neither MCCi nor its Personnel are or shall be deemed to be employees of Client but rather as independent contractors. MCCi shall be responsible for the compensation of its Personnel, in addition to any applicable employment taxes, workmen's compensation and any other taxes, insurance or provisions associated with the employment of such personnel.

In addition, MCCi shall be responsible for all acts or omissions of its Personnel. MCCi will also not discriminate in the referral or hiring of MCCi Personnel on the bases of race, religion, sexual orientation, color, sex, age, national origin, disability that does not affect the ability for an individual to perform his or her job, or other protected categories as required by state, federal, and local laws.

MCCi may utilize independent subcontractors in satisfying its obligations under this Agreement (collectively with MCCi employees "**Personnel**"). MCCi affirms to Client that these resources will adhere

to and are subject to the same representations made by MCCi throughout this Agreement.

Upon receipt of notice from Client that any MCCi Personnel is not suitable, MCCi shall remove such person from the performance of Services and will provide a qualified replacement as quickly as possible.

Unless a particular MCCi Personnel member has been identified as a key resource to the relevant Order, MCCi at its sole discretion may reassign, if and as necessary, other appropriately qualified MCCi Personnel to the relevant Order as long as such assignment will not affect MCCi's fee for the Services defined or ability to satisfy its Deliverables.

Neither Party shall be deemed to be a legal representative of the other nor has any authority, either express or implied, to bind or obligate the other in any way.

7. Non-Solicitation

Each Party agrees not to directly or indirectly solicit, offer employment to, or accept any services outside of this Agreement from any employee or independent contractor of the other Party who provided services for the non-soliciting Party within the previous twelve (12) months, during the term of this Agreement, and for twelve (12) months thereafter. Notwithstanding the foregoing, either Party may solicit for employment, offer employment to, employ, or engage as a consultant or advisor, any of the other Party's personnel who: (i) had no previous direct contact with the soliciting Party's personnel in connection with, and during the performance of, the Services hereunder, or (ii) have responded to a general, publicly-available advertisement for employment at such Party (including its affiliates), or (iii) make unsolicited approaches or inquiries to such Party (including its affiliates) regarding employment opportunities. The current employing Party, in its sole discretion, may waive this provision in writing for an individual. In consideration for such waiver, other Party agrees to pay a placement fee equal to fifty percent (50%) of such person's new total annual compensation. This placement fee shall be due immediately upon such person's commencement of services.

8. Confidential Information

The Parties acknowledge that in the course of MCCi providing Services for Client hereunder, each may receive Confidential Information (as defined below) of the other Party. Any and all Confidential Information in any form or media obtained by a Recipient shall be held in confidence and shall not be copied, reproduced, or disclosed to third parties for any purpose whatsoever except as necessary in connection with the Services provided under this Agreement. The Recipient further acknowledges that it shall not use such Confidential Information for any purposes other than in connection with the activities contemplated by this Agreement. All consultants assigned by MCCi to Client will sign appropriate forms of confidentiality agreements on or prior to their start date.

MASTER SERVICES AGREEMENT NO. 24903

"Confidential Information" means any and all confidential information of a Party disclosed to the other Party, including, but not limited to, research, development, proprietary software, technical information, techniques, know-how, trade secrets, processes, customers, employees, consultants, pricing information and financial and business information, plans and systems. Confidential Information shall not include information which: (i) was known to the Party receiving the information (the **"Recipient"**) prior to the time of disclosure by the other Party (the **"Disclosing Party"**); (ii) at the time of disclosure is generally available to the public or after disclosure becomes generally available to the public through no breach of agreement or other wrongful act by the Recipient; (iii) was lawfully received by Recipient from a third party without any obligation of confidentiality; or (iv) is required to be disclosed by law or order of a court of competent jurisdiction or regulatory authority.

The obligations set forth in this Section shall survive termination of this Agreement for a period of three (3) years thereafter. One year unless such Confidential Information is received prior to the end of said year through one of the means set forth in the preceding paragraph.

9. Intellectual Property

Unless otherwise specified in any Order, title to all materials, products and/or Deliverables, including, but not limited to, reports, designs, programs, specifications, documentation, manuals, visual aids, and any other materials developed and/or prepared for Client by MCCi under any Order (whether or not such Order is completed) (**"Works"**), and all interest therein shall vest in Client and shall be deemed to be a work made for hire and made in the course of the Services rendered hereunder. MCCi shall retain a non-exclusive, royalty-free, world-wide, perpetual license to use, sell, modify, distribute and create derivative works based upon any of the foregoing Works in its information technology professional services business, provided that in so doing MCCi shall not use or disclose any Client Confidential Information or Deliverables unique to or owned by Client. To the extent that title to any such Works may not, by operation of law, vest in Client or such Works may not be considered works made for hire, all rights, title and interest therein are hereby irrevocably assigned to Client. All such Works shall belong exclusively to Client, except as set forth herein, with Client having the right to obtain and to hold in its own name, copyrights, registrations or such other protection as may be appropriate to the subject matter, and any extensions and renewals thereof. MCCi agrees to give Client and any person designated by Client, reasonable assistance, at Client's expense, required to perfect the rights defined in this Section 8. Unless otherwise requested by Client, upon the completion of the Services to be performed under each Order or upon the earlier termination of such Order, MCCi shall immediately turn over to Client all Works and Deliverables developed pursuant to such Order, including, but not limited to, working papers, narrative descriptions, reports and data.

Notwithstanding the foregoing, the following shall not constitute the property of Client: (i) MCCi software, including but not limited to any

proprietary code (source and object), which is subject to third-party license agreements with MCCi; (ii) those portions of the Deliverables which include information in the public domain or which are generic ideas, concepts, know-how and techniques within the computer design, support and consulting business generally; and (iii) those portions of the Deliverables which contain the computer consulting knowledge, techniques, tools, routines and sub-routines, utilities, know-how, methodologies and information which MCCi had prior to or acquired during the performance of its Services for Client and which do not contain any Confidential Information (as hereinafter defined) of Client conveyed to MCCi. To the extent that any portion of the Deliverables includes information or material that falls within the exceptions to property of Client described in Subsection (iii) above, MCCi shall be deemed to have granted Client a paid up, world-wide, non-exclusive license to use any such information or material imbedded in the Deliverables for its internal business needs and a non-exclusive license to make copies thereof for use only in its and its affiliates' facilities, subject to third party license agreements, if any. Should MCCi, in performing any Services hereunder, use any computer program, code or other materials developed by it independently of the Services provided hereunder (**"Pre-existing Work"**), MCCi shall retain any and all rights in such Pre-existing Work. MCCi hereby grants Client a paid up, world-wide, non-exclusive license to use and reproduce the Pre-existing Work for its internal business needs.

Client understands and agrees that MCCi may perform similar services for third Parties using the same personnel that MCCi may use for rendering Services for Client hereunder, subject to MCCi's obligations respecting Client's Confidential Information pursuant to Section 8.

10. Data Privacy

In the event that MCCi, in the course of providing Services to Client, receives, stores, maintains, processes or otherwise has access to **"Personal Information"** (as defined by the State Data Protection Laws and/or European Union Directives, and including, but not limited to, an individual's name and social security number, driver's license number or financial number) then MCCi shall safeguard this information in accordance with these laws. MCCi may disclose Personal Information for business purposes only on a need-to-know basis and only with (i) MCCi Personnel, (ii) any third party service providers that has agreed to safeguard Personal Data in a like manner as MCCi safeguards such information, and (iii) with other entities authorized to have access to such information under applicable law or regulation. MCCi may disclose Personal Data when necessary to protect its rights and property, to enforce its terms of use and legal agreements, as required or permitted by law, or at the request of law enforcement authorities and the courts, and pursuant to a subpoena. MCCi shall have no duty to notify Client of such compliance with law. MCCi takes reasonable and appropriate measures to maintain the confidentiality and security of Personal Data and to prevent its unauthorized use or disclosure. To the extent that MCCi experiences a Security Breach as defined under the State Data Protection Laws for information generated in connection with

MASTER SERVICES AGREEMENT NO. 24903

this Agreement or any Order hereto, MCCi shall notify Client in writing within five (5) business days of discovering such Security Breach.

11. Warranty

(a) Services Warranty.

MCCi warrants that all Services shall be performed by personnel with relevant skill sets and familiar with the subject matter for the Order in a professional, competent and workman-like manner.

MCCi's delivery of a Deliverable to Client shall constitute a representation by MCCi that it has conducted a review of the Deliverable and believes it meets the written specifications set forth in the corresponding Order. Client shall then have the right to conduct any review of the Deliverable as Client shall deem necessary or desirable. If Client, in its reasonable discretion, determines that any submitted Deliverable does not meet the agreed upon specifications, Client shall have five (5) business days after MCCi's submission to give written notice to MCCi specifying the deficiencies in reasonable detail. MCCi shall use reasonable efforts to promptly cure any such deficiencies. After completing any such cure, MCCi shall resubmit the Deliverable for review as set forth above. Notwithstanding the foregoing, if Client fails to reject any Deliverable within five (5) business days, such Deliverable shall be deemed accepted.

MCCi does not warrant that the Services or Deliverables will be uninterrupted or error-free, provided that MCCi shall remain obligated pursuant to this Section 11. If the Services fail to conform to the foregoing warranty in any material respect, Client's initial remedy will be for MCCi, at its expense, to promptly use commercially reasonable efforts to cure or correct such failure. Upon failure of the foregoing, Client's remedies, and MCCi's entire liability, as a result of such failure, shall be subject to the limitations set forth in Section 12 below. The foregoing warranty is expressly conditioned upon (i) Client providing MCCi with prompt written notice of any claim thereunder prior to the expiration thereof, which notice must identify with particularity the non-conformity; (ii) Client's full cooperation with MCCi in all reasonable respects relating thereto, including, in the case of modified software, assisting MCCi to locate and reproduce the non-conformity; and (iii) with respect to any Deliverable, the absence of any alteration or other modification of such Deliverable by any person or entity other than MCCi. The Parties acknowledge and agree that this Agreement relates solely to the performance of services (not the sale of goods) and, accordingly, will not be governed by the Uniform Commercial Code of any State having jurisdiction. MCCi also does not warrant any third-party products procured on behalf of Client, and if there are any product warranties provided by the manufacturer of the product, any remedy should be requested directly from manufacturer.

EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 10, MCCI DOES NOT MAKE OR GIVE ANY REPRESENTATION OR WARRANTY, WHETHER SUCH REPRESENTATION OR WARRANTY BE EXPRESS OR

IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE OR ANY REPRESENTATION OR WARRANTY FROM COURSE OF DEALING OR USAGE OF TRADE.

In the event that Client asserts any claim for warranty services hereunder and such claim relates to any matter that is mutually determined by the Parties not to be MCCi's responsibility hereunder (including any problem with Client's computer hardware or software that was not caused by any Services performed by MCCi), Client shall pay MCCi for all costs incurred for all evaluation, correction or other services performed by MCCi relating to such claim on a time and materials basis at MCCi's then standard billing rates.

(b) General Warranty.

MCCi shall perform the Services in compliance with all applicable international, federal and state laws and regulations and industry codes, including but not limited to (i) federal and state anti-kickback laws and regulations and laws governing payments to and relationships with healthcare professionals, including 42 U.S.C. §1320a-7b(b); (ii) federal Food and Drug Administration laws, regulations and guidance, including the federal Food, Drug and Cosmetic Act and the Prescription Drug Marketing Act, (iii) federal and state securities laws, meaning that MCCi agrees that Client may be a publicly traded company and MCCi shall instruct MCCi Personnel that federal and state securities laws prohibit the purchase, sale, or pledge of Client stock while in possession of any material, non-public information, (iv) the Foreign Corrupt Practices Act of 1977, and the UK Bribery Act, the 1997 OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, and (v) international, federal and state privacy and data protection laws, including, but not limited to, the relevant European Union directives, Health Insurance Portability and Accountability Act of 1996 and the Health Information Technology for Economic and Clinical Health Act, Chapter 93H of The Massachusetts General Laws and its implementing regulations, 201 CMR 17.00, and Cal. Civ. Code § 1798.80-.84 (collectively, "**State Data Protection Laws**").

12. Indemnification and Limitation of Liability

(a) Mutual Indemnification.

Each Party ("**Indemnifying Party**") shall indemnify, defend and hold the other harmless against any loss, damage or costs (including reasonable attorneys' fees) in connection with third party claims, demands, suits, or proceedings ("**Claims**");

- For bodily injury or personal property damage arising out of the indemnifying Party's performance within, or without, the scope of its responsibilities under this Agreement.

MASTER SERVICES AGREEMENT NO. 24903

MCCi shall defend, indemnify and hold Client harmless against Claims made or brought against Client by a third party alleging that the use of any Deliverable as provided to Client under this Agreement or any Order hereto and used in accordance with this Agreement and relevant documentation, infringes any third party's intellectual property rights. Notwithstanding the foregoing, MCCi shall not be required to indemnify Client to the extent the alleged infringement: (x) is based on information or requirements furnished by Client, (y) is the result of a modification made by a party other than MCCi, or (z) arises from use of a Deliverable in combination with any other product or service not provided by MCCi. If Client is enjoined from using the Deliverable or MCCi reasonably believes that Client will be enjoined, MCCi shall have the right, at its sole option, to obtain for Client the right to continue use of the Deliverable or to replace or modify the Deliverable so that it is no longer infringing. If neither of the foregoing options is reasonably available to MCCi, then this Agreement may be terminated at either Party's option and MCCi's sole liability shall be subject to the limitation of liability provided in this Section.

(c) Client Indemnification.

If the Services require MCCi to access or use any third party products provided or used by Client, Client warrants that it shall have all rights and licenses of third Parties necessary or appropriate for MCCi to access or use such third party products and agrees to produce evidence of such rights and licenses upon the reasonable request of MCCi and to indemnify, hold harmless and defend MCCi from and against any Claims to the extent arising from MCCi's access to or use of such third party products.

(d) Indemnification Procedure.

Each indemnified Party shall give the indemnifying Party (a) prompt written notice of the Claim; (b) sole control of the defense and settlement of the Claim (provided that the indemnifying Party may not settle any Claim unless it unconditionally releases the indemnified Party of all liability); and (c) at indemnifying Party's cost, all reasonable assistance.

(e) Limitation of Liability.

Except for a Party's indemnification obligations, each Party's maximum aggregate liability for all claims, losses or other liability arising out of, or connected with, this Agreement, the Services contemplated hereunder or Client's use of any such Services or Deliverables, and whether based upon contract, warranty, strict liability, tort (including, without limitation, negligence), or otherwise, shall in no case exceed the aggregate amounts paid to MCCi by Client under the applicable Order, giving rise to such claim during the last six (6) months. Each Party's entire liability and Client's remedies

under this Agreement shall be subject to the limitations contained in this Section 12. The limitations on warranty and liability specified in Sections 11 and 12 hereof will survive and apply even if any limited remedy herein is found to have failed of its essential purpose.

The Parties acknowledge that the limitation of warranties and liabilities as set out in this Agreement are an essential basis of this Agreement and that the prices agreed to be paid by Client for Services reflect these limitations.

SERVICE PACKAGES

GENERAL ASSUMPTIONS

To determine which platform/licenses are applicable, please refer to the [Pricing](#) section. The following assumptions serve as the basis for the Service Package(s) reflected below. Any service or activity not described below is not included in the Scope of services to be provided. Variations to the following may impact the Service Package's cost and/or schedule justifying a change order.

- MCCi's completion of a Deliverable to Client shall constitute that MCCi has conducted its own review and believes it meets Client's requirements. Client shall then have the right to conduct its own review of the Deliverable as Client deems necessary. If Client, in its reasonable discretion, determines that any submitted Deliverable does not meet the agreed upon expectations, Client shall have five (5) business days after MCCi's submission to give written notice to MCCi specifying the deficiencies in reasonable detail. MCCi shall use reasonable efforts to promptly resolve any such deficiencies. Upon resolution of any such deficiencies, MCCi shall resubmit the Deliverable for review as set forth above. Notwithstanding the foregoing, if Client fails to reject any Deliverable within five (5) business days, such Deliverable shall be deemed accepted.
- If either party identifies a business issue during the project, MCCi and Client must jointly establish a plan to resolve the issues with potential impact analysis of timeline and budget within five (5) business days of identification. Any necessary business decision resulting from the identified business issues must be made by Client within five (5) business days from request.
- Client is responsible to ensure that adequate hardware/infrastructure is in place and capable of handling the extra resources that may be required to support the services performed.
- Any additional software licensing needs related to this service/process configuration have not been considered or included as part of service packages. Client is responsible for ensuring that the required software licensing is available.
- If the Services require MCCi to access or use any third party software products provided or used, Client warrants that it shall have all rights and licenses of third parties necessary or appropriate for MCCi to access or use such third party products and agrees to produce evidence of such rights and licenses upon the reasonable request of MCCi and to indemnify, hold harmless and defend MCCi from and against any claims, actions, demands, lawsuits, damages, liabilities, settlements, penalties, fines, costs and expenses (including reasonable attorneys' fees) to the extent arising from MCCi's access to or use of such third party products.
- Client will maintain primary contacts and project staff for the duration of the project, as a change in staff may result in a change order for time spent by MCCi on retraining, reeducating, or changes in direction.
- Through the course of this project, MCCi may choose to utilize the third-party service Asana (<http://www.asana.com>) for project management and team collaboration. Documentation and correspondence exchanged between MCCi and Client may be stored in Asana.
- Client will ensure that all Client's personnel who may be necessary or appropriate for the successful performance of the services will, on reasonable notice: (i) be available to assist MCCi's personnel by answering business, technical and operational questions and providing requested documents, guidelines and procedures in a timely manner; (ii) participate in the services as reasonably necessary; and (iii) be available to assist MCCi with any other activities or tasks required to complete the services.
- All pricing assumes Client will grant MCCi unattended access to the required infrastructure for the project. Failure to provide this access can result in a change order increasing the cost to the client and the timeline of the project.

IMPLEMENTATION SERVICES PACKAGE

MCCi's certified personnel will administer these services to assist Client with implementing the software/subscription components purchased.

BASIC RECORDS MANAGEMENT CONFIGURATION

MCCi will configure Records Management in Client's repository using Transparent Records Management (TRM). Using TRM, both records managers and general users can organize the same repository in the manner they each prefer, simultaneously. The process is "transparent" because it enables general users to see through the complex records management layout to their desired structure. Records management requirements do not interfere with day-to-day business needs, and records managers can retain control over the way information is categorized and filed outside of the view of everyday users of the system.

CLIENT DELIVERABLES

- Provide unattended access to servers hosting related application to project
- Provide a client representative to participate in organizing the repository through templates and folder structure and plan out the templates, record types, and folder structure, not to exceed 15 record types that will be implemented

Workflows will be based on information that users input into the template when adding the document to Laserfiche. These workflows will be for filing purposes only and not include any business process steps for approval, review, etc.
- Build a workflow to run on a schedule set by Client that sends an email notification (to Client's Records Manager and up to one (1) other user) with up to three (3) links to display a list in the Web Client of all records available for cutoff, disposition, or vital records that need review
- Conduct ½ day of "train the trainer" training on administering and executing the document import process, records keeping, purging and other records keeping responsibilities inside Laserfiche including:

- Client owns and has Laserfiche Web Client installed and configured

SUPPLEMENTAL SUPPORT PACKAGES
